What is the Deposit Protection Intended For?

In the event that an authorized SRI Retailer obtains a deposit from a customer for a new home and this Retailer is forced into receivership or bankruptcy and consequently cannot deliver the home, then SRI's Deposit Protection will protect the customer from the loss of their deposit.

How does a customer access the Deposit Protection?

Upon receipt of sufficient evidence, SRI Homes ULC, will at their discretion, either reimburse the customer for their deposit or build and arrange delivery of the home. In both instances, the deposit protection will cover a maximum of 20% of the purchase price of the home or \$10,000, whichever is less.
